Create a Rainbow Of Colour

Flower Bulbs and Perennials from Florissa ... A quick and easy way for your organization to raise funds and beautify your community all at once.

Tired of the standard fundraiser programs? Looking for something new that's easy to sell and manage, with a wide-range appeal? Try our "Create a Rainbow of Colour" Program. Flower bulbs and perennials have mass appeal for people of all ages, even if they are not experienced gardeners. Almost everyone can find a place in their yard, rooftop or balcony to enjoy these easy to grow bulbs and perennials. Flower bulbs and perennials make great gifts too!

You Will Earn Profits on Every Sale!

Your customers will choose from our special selection of bulbs and perennials that are retail priced at **\$5.00** and **\$10.00** per package. Your cost per package is about 50% of the retail price. As a special contribution to your organization Florissa offers **FREE BROCHURES AND FREE SHIPPING** with a minimum \$200 order! **Our fundraisers are a guaranteed success with no risk to you.**

Your Satisfied Customers Will Be Blooming With Smiles!

Your customers will be delighted when they see their spectacular display and will look to purchase from your organization each year. Remember good news travels fast and your customers will tell their friends about their success. Sell with confidence! Florissa only offers easy to grow varieties that are top size and high quality. Our excellent quality will reflect positively on your organization.

Fundraising Just Became Easier!

We provide full colour promotional packets (typeset to your specific group) for each of the participants and include easy to read order forms. You will choose approximately 2 weeks to run the fundraiser. Once you have completed your selling efforts, your fundraising coordinator will tally the orders and send in a complete order on the **Master Order/Payment Form** with payment for your order. **Please note: our minimum order is \$200 and a cheque or credit card number should accompany each order for the full amount. Reorders of \$50 will also be accommodated.** We will ship (upon receipt of payment) your order directly to you in time for planting in your area or the date that you specify (approx April 5-30th). Please allow up to 2 weeks to process your order. Once your packages arrive your members will then compile each order and distribute them to their customers for planting this spring. Each item is pre-packaged with a full colour picture and easy to follow planting instructions.

A Perfect Winter or Early Spring Fundraiser!

These bulbs and perennials are summer blooming varieties. The best time to sell them is from January to April in the Winter to Early Spring months when your customers are planning their gardens. The shipping time for your order will be from April 5-30th. The last day we deliver orders is April 30th. All orders and re-orders should be in by April 15th; no orders will be accepted after this date.

A Proven Fundraiser with Community Participation!

Year after year organizations such as school bands, choirs, greening committees, athletic programs, civic groups, garden clubs, cadets, church groups, youth groups and horticultural therapy programs have discovered that selling flower bulbs and perennials can be fun, profitable and a great way to beautify the community. Some of our more successful fundraiser organizations even get involved with helping their customers to plant the bulbs and perennials once they arrive (a great way to have kids and seniors working together.) Your efforts will be a "blooming" reminder to your community! All will enjoy this spectacular show of colour!
